Failure to lodge the signed completed Self Declaration Form with the Event Registration may result in a penalty.

## ***Post-Race Inspections***

**For Post-Race checks; a number of boats shall be selected for equipment compliance checks, based on the finishing positions for races that day.**

**Selected boats SHALL proceed directly to the Measurement Area on returning to shore for a Measurement Compliance Check.**

Items of Equipment used will be checked against the Self Declaration Form for Compliance and the Class Rules.

Boats identified as not using Equipment as declared on the Self Declaration Form (or approved replacement equipment) shall be subject to protest by the Event Technical Committee.

The Event Equipment Inspection team looks forward to working with you to ensure a smooth transition through the Pre-Event inspection process. Thank you.
